Entrance & Living Room

The living room is the social heart of the home. A low-profile sofa anchors the space with a layered rug beneath, balanced by an accent armchair and a warm wood coffee table. Lighting is layered — recessed spots for general light, a floor lamp for reading, and a statement pendant over the seating. Soft textiles and one or two art pieces keep it relaxed.

Kitchen

The kitchen balances function and warmth. A clean work surface runs along the wall with an island or cart for casual dining, topped by pendant lights. Quality cookware and a good coffee machine make it a place to gather. Natural wood and matte finishes keep it from feeling cold.
